BEE-TOGETHER is the shortest path from a contact to a contract

Exhibitors' reviews

**Lyudmila Denisova,
Head of Akademiya Mody
(«Milada», Russia):**

«It's not our first time on the BEE-TOGETHER.ru. We really like the fact, that the meetings are organised special for us. It lasts only 2 days, but they are intense indeed — we have meetings every half an hour. Clients come to our table consciously and with certain offers. Last exhibition provided us with 3 clients, we've been working with them for a year already.»

**Marina Torgashova,
Yurma Fashion (Russia):**

«Here you can get real orders for real prices — without any stocking limits. We came here for the 3rd time. During this period we have found ten clients from Moscow and other Russian regions. We appreciate the professionalism of the BEE-TOGETHER.ru team, which is really rare. You can't find irritating factors here. Visitors come to find out what we produce, how we work and how to make an order, if it is profitable for them.»

**Nazifat Tohchukova,
Head of Production department,
Nais (Russia):**

«We are satisfied with the results of the first day, because several clients have shown their interest, and we have made preliminary agreements. This platform is very important. It helps to raise the effectiveness of factories' capacities and stimulates its work. Besides, I like the format: clients themselves come to the exhibitors. It's very comfortable.»

**Tatyana Litvinovich,
Deputy Commercial Director
of Comintern, Belarus:**

«When we took part in the BEE-TOGETHER.ru for the first time, we presented our main group of products: men's suits, however, it turned out, that there is bigger demand for the boys clothing. That's why now we are working in this direction, and since it's the start of the order placement period, we can have a constructive dialogue with our clients.»

Visitors' reviews

**Natalia Kazakova,
Product Manager, Orby (Russia)**

«I am visiting the BEE-TOGETHER.ru for the third time. Every year the exhibition becomes more actual for me. Here I can find factories, which can relate my interests. This time I've had meetings with 2 factories, which are suitable for me, we are going to work with them. We'll get to know each other and develop our partnership.»

**Elena Kolesnikova,
the Head of Production Department,
ELIS FASHION RUS (Russia):**

«We are searching for partners, who can produce goods with their own materials, because we are in need of large production volumes. We have found the potential candidates. On the BEE-TOGETHER.ru you can communicate with contractors directly, not via phone. You can see the person in front of you, talk and understand, who are you going to work with and does it really worth it.»

**Alexandra Khramova,
Head of Product Development
Department, ZASPORT (Russia)**

«We are interested in the outdoor, leather goods, and, of course, the sportswear. Here you can meet the real producers, see their ready products and decide on the supplies. This is my 3rd time here, and every visit was quite productive: we have found good producers, whom we are still working with.»

**Ekaterina Kuhareva,
Head Designer, Chkalov (Russia):**

«We are the regular visitors of the platform. This time we came here purposefully, to meet a certain producer, with whom we discussed the collaboration conditions earlier. Now we are signing the contract. By the way, we have found a lot of interesting factories, working with real leather, and accessories suppliers. In general, the organization of the event surprises with its precision — the meeting schedule is sent by e-mail, so you can understand the timing.»
